NUVOLA

PIEMONTE DOC BIANCO

Grape and vineyard

Obtained from native grapes of Piemonte.

Aging

The grapes are harvested by hand, selecting only the best bunches, keeping the fruit intact.

The grapes, harvested by hand and placed in small boxes, are softly crushed-destemmed inside a stainless steel vat. The alcoholic fermentation with maceration begins slowly, transforming the must into wine in about a week. At the end of the alcoholic fermentation, the “new wine” is left to refine in steel tanks.

Tasting notes

Piedmonte D.O.C. White is straw yellow in color with golden reflections. The nose is initially expressed with delicate floral scents, followed by fruity notes and nuances of aromatic herbs.

The taste is smooth, balanced and elegant, pleasantly almond in the finish.

To be served between 8 and 10° C.

Pairings

For the whole meal, excellent pairing with appetizers, first courses and fish; also ideal as an aperitif.

Piedmonte White DOC

The Piedmonte region has 47 denominations of controlled origin, of which 10 are involved in the production of white wines. Piedmonte white wine is often overshadowed by the fame of the red wine of this region, but it is also a remarkable product. The region has the climate and the type of territory suitable for vines, both red and white, with a purely hilly aspect that favors the cultivation of vineyards.
